

主題：如何在 AI 時代提升英語教學與評量成效：實務經驗分享

Topic: Boosting English Teaching and Assessment Effectiveness in the AI Age: Practical Strategies and Reflections

摘要：隨著數位革命的來臨，AI (Artificial Intelligence) 技術日新月異，科技給英語老師開啟的，是危機之門還是契機之路？本工作坊將分享實用的生成式 AI 工具，探索如何運用 AI 來協助英語教學與課室評量，進而提升教學成效，包含課前教材與講義的準備、課程教學與評量活動的整合、課後作業或任務的延伸等。本工作坊也會與老師共同探討 AI 帶來的潛在挑戰和在應用上的限制。

Abstract: In light of the digital revolution, Artificial Intelligence (AI) is advancing rapidly. Does technology present English teachers with a crisis or an opportunity? This workshop aims to share practical AI tools, specifically Generative AI, and explore how it can assist in English teaching and classroom assessment to enhance teaching effectiveness. Topics include preparing materials and handouts before class, integrating course instruction and assessment activities, and extending post-class assignments or tasks. Additionally, the workshop will engage participants in discussing the potential challenges and limitations of AI application.
